Have Your Say

Dr David **GILLESPIE** MP FEDERAL MEMBER FOR **LYNE**

Dear school leaver,

Congratulations on your impending graduation!

This is a challenging, but nonetheless exciting time to be completing school. The future requires all of us to be adaptable and prepared. Exploring your options means accessing current information on a range of pathways, talking to your parents, friends, teachers and career advisers. The School Leavers' Guide is a great starting point.

When deciding what you might do after school, consider your interests, your likes and dislikes, your experiences at school, at home and within your community. Think about hopes and visions for your future and where you want to study, train or work.

In this guide there are sections about career development, further education and training options, financial assistance available to young people as well as useful contact details for more detailed information.

I trust you will find this information helpful. Please contact my office on **(02) 6586 4462** if I can be of any further assistance. I also encourage you to enrol to vote if you have not yet done so – simply call my office and I will send you an enrolment form.

Good luck as you make the transition from school and I wish you every success in your future endeavours.

Yours sincerely,

Dr David Gillespie MP
Federal Member for **Lyne**

EDUCATION AND TRAINING OPTIONS

Vocational Education and Training (VET)

Vocational education and training is competency-based and directly job-related. The VET system provides training for around 4 million students annually for a wide range of occupations. VET provides industry relevant skills for a broad range of employment opportunities to support a skilled workforce for employers.

Courses are offered through a variety of registered training organisations (RTOs) including:

- TAFE institutes;
- Private and enterprise training providers;
- Secondary schools;
- Industry organisations;
- Professional associations;
- Community organisations;
- Adult and community training providers; and
- Universities.

For more information on VET opportunities, including courses and training providers, visit www.myskills.gov.au

Universities

Universities offer a wide range of general and specific courses at undergraduate and postgraduate levels, with subsidised places and loans for study available to some domestic students through the Higher Education Loan Program (HELP).

If you are considering going directly from school to university, it is important to fully explore university and course requirements. Look at prerequisite Year 11 and 12 subjects for courses, and the campuses at which they are offered.

You can visit www.compared.edu.au and www.courseseeeker.edu.au to help you decide which university and which course is right for you.

Some universities also run enabling courses that can help you build your skills in preparation for study or help you if you are unsure about what you might like to study.

It is possible to pursue university study by transferring from recognised VET studies or undertaking pathway courses.

Applying for University

You can apply to your chosen university through standard entry (on the basis of your senior secondary school qualifications), special or alternative entry, or advanced standing entry (credit transfer or credit for prior learning).

In most states and territories, and in some courses, applications are processed through a Tertiary Admissions (Service) Centre. Contact individual universities and Tertiary Admissions Centres for further advice. See page 13 for more information.

Private Higher Education Providers

Approved private higher education providers are generally non-university higher education providers which offer a range of fee-paying courses leading to a higher education award course.

Visit www.compared.edu.au and www.courseseeeker.edu.au to view and compare higher education institutes and courses.

Currently, only a few of these providers have been approved by the Government to offer Commonwealth supported places. However, many of them can offer a HELP loan.

Further information on higher education can be found at www.studyassist.gov.au

Distance and Online Study

Many providers offer alternative modes of study to tertiary students, such as online or distance education. You should check with providers directly.

One example is Open Universities Australia (OUA). OUA are owned and operated by a consortium of Australian universities and offers students access to higher education study regardless of their ATAR, previous education, age or location.

For more information visit www.open.edu.au

Apprenticeships and Traineeships

An apprenticeship or traineeship is a great career path that kick starts your future with a job and structured education and training. It provides you with the opportunity to gain real world, hands-on experience while building important technical, business and service skills.

Anyone of working age can become an apprentice or trainee. You don't need to have any entry qualifications and there are a variety of study options at different certificate levels.

An apprenticeship or traineeship is offered in more than 500 occupations across the workforce including building and construction, health care, agriculture, manufacturing, automotive, tourism, beauty, hospitality, mining and digital technologies.

Employment prospects for apprenticeships and traineeships are high.

Whether you're looking to become a fully qualified tradesperson, a business manager, a healthcare expert or a financial planner, an apprenticeship or traineeship can help get you there.

For more information contact your local Australian Apprenticeship Support Network Provider on 13 38 73 or visit www.australianapprenticeships.gov.au

Australian Defence Force (ADF) Gap Year and Cyber Gap Programs

The ADF Gap Year Program provides an opportunity for young Australians, who have finished Year 12 or equivalent, to experience 12 months in the military without the obligation to make a longer commitment. Participants in the Gap Year Program learn practical and leadership skills, enjoy a healthy and varied lifestyle, meet new friends and may even receive recognised qualifications to help progress their future career - all while getting paid.

The Cyber Gap program is open to those already studying or currently enrolling in a cyber-related qualification. Defence can offer you generous

financial support, along with a cyber-experience placement to give valuable insight into how you can protect Australia's online systems and information. You'll enhance your cyber skills, and learn more about what makes a career with the Australian Defence Force so rewarding.

For more information please visit: www.defencejobs.gov.au/education/GapYear or www.dta.gov.au/help-and-advice/learning-and-development/start-your-digital-career-government/australian-defence-force-cyber-gap-program

Foundation Language, Literacy, Numeracy and Digital Skills Support

If you are a job seeker wishing to develop your reading, writing and maths skills to improve your chances of finding and keeping a job, the Skills for Education and Employment (SEE) program can help.

The SEE program provides language, literacy and numeracy training to eligible job seekers, to help you to participate more effectively in training or in the workforce

You can get up to 650 hours of free accredited training, starting at your own level and working at your own pace. Training is delivered flexibly through full-time or part-time hours, via face-to-face or distance training.

A work experience component can also be included in some cases.

To find out if you are eligible for this program and be referred to a SEE provider, talk to Services Australia or your local employment service provider including:

- jobactive;
- Disability Employment Services;
- Community Development Program;
- Transition to Work; and
- ParentsNext.

For further information about SEE visit: www.employment.gov.au/skills-education-and-employment

Commonwealth Scholarships Program for Young Australians

The Commonwealth Scholarships Program for Young Australians offers scholarships for young people to undertake vocational education and training courses, from the Certificate III to Advanced Diploma level. You will also gain hands on work experience directly linked to your study through completing a paid, twenty-day internship placement with a local business. The Commonwealth Scholarship Program is open to young people aged 15-24 years who live in an eligible region. The eligible regions are Gosford, Grafton, Maryborough, Townsville, Alice Springs, Wanneroo, Armadale, Port Pirie, Shepparton and Burnie.

Scholars receive up to \$5,000 per annum in study assistance and up to \$3,000 for completing the internship placement. Local businesses who host an intern receive \$1,500.

For more information, including how to apply for a scholarship, visit the BUSY At Work website at: www.busyatwork.com.au/scholarship-program-for-young-australians/

FINANCIAL AND OTHER SUPPORT

The Government is helping thousands of Australians to become qualified in their chosen field by providing access to a Commonwealth supported place, a student loan through HELP (including VET Student Loans), or support for apprentices through Trade Support Loans.

A loan is a serious commitment. It is a real debt that must be repaid when you reach a certain income level (this income level for the 2020-21 financial year is \$46,620). Make sure you understand your rights and obligations before signing up to any sort of loan.

Commonwealth Supported Places

At the undergraduate level, many higher education providers (particularly universities) offer Commonwealth supported places to students who are Australian citizens. A Commonwealth supported place (CSP) is a place at a university or higher education provider where the government pays part of your fees. This part is a subsidy, not a loan, and you don't have to pay it back. This subsidy does not cover the entire cost of your study. Students must pay the rest, called the 'student contribution amount'. This amount can be loaned through the Higher Education Loan Program (HELP).

Higher Education Loan Program (HELP)

At the undergraduate and postgraduate levels, HELP assists eligible students with their student contribution amounts or tuition fees at university and other higher education providers. Eligible students have access to deferred payment arrangements through HELP.

The HELP scheme consists of various loans:

- HECS-HELP is for eligible Commonwealth supported students to cover their student contribution amounts;
- FEE-HELP is for eligible fee-paying students to cover their tuition fees;
- SA-HELP is a loan that assists eligible students to pay for all or part of their student services and amenities fee; and
- OS-HELP is to assist eligible students who undertake part of their study overseas with a range of associated expenses, such as airfares and accommodation.

Further information about the HELP loan schemes, including information on VET Student Loans, can be found at www.studyassist.gov.au and www.dese.gov.au/vet-student-loans

VET Student Loans

VET Student Loans helps students to cover fees for vocational education and training (VET) courses.

Maximum loan amounts available vary depending on the course chosen. Some courses approved for VET Student Loans may also be eligible for state or territory government funding, which may reduce the loan amount needed to cover tuition fees.

You can find information on eligibility, including courses approved for VET Student Loans, as well as the providers (TAFEs, colleges and other institutions) approved to offer VET Student Loans, by searching on the MySkills website at www.myskills.gov.au

Repaying your HELP Debt

You pay back your HELP debt through the tax system once you earn above the compulsory repayment threshold.

In 2020-21, students will start repaying their HELP debts when their income reaches the minimum repayment threshold of \$46,620.

The amount you repay changes with your wage. The more you earn, the higher your repayment will be.

myGov

myGov is a simple and secure way to access government services online with one login and one password.

Create a myGov account and you can link to your Medicare, Centrelink or Child Support online account. You can also:

- get messages sent to your secure myGov Inbox;
- update your personal details with Centrelink and Medicare;
- be confident your personal information is secure;
- access your online accounts overseas; and
- link to other government services.

To create a myGov account go to my.gov.au

More information is available here: www.servicesaustralia.gov.au/individuals/subjects/about-mygov

Financial hardship

If making your compulsory repayment will cause you serious financial hardship, you can apply to the ATO to defer your repayment.

For up-to-date information visit www.studyassist.gov.au

For more information on HELP repayments, call the Australian Taxation Office on 13 28 61 or visit www.ato.gov.au

Scholarships

A variety of scholarships and awards are available for students to gain financial help for their tertiary studies. Details will become available from universities and other higher education providers during 2020.

Trade Support Loans

An Australian apprentice or trainee working in a skills need area may be eligible for a Trade Support Loan (TSL) of up to \$21,542 to help cover the costs of living and learning.

A TSL is an interest-free government funded loan that is paid in monthly instalments for up to six months at a time. Your debt is indexed annually and you will get a 20 per cent discount on your debt when you have successfully completed your apprenticeship.

You could borrow just a small amount over a few months or receive payments over the four years of your apprenticeship, up to the lifetime limit of \$21,542 (for 2020-21).

You choose how to spend the money. You could use the loan to cover living expenses, buy work equipment like tools or boots, or save your payments to buy a car. Whatever you do, remember you will have to pay the money back.

You will start repaying your TSL once you have reached the compulsory repayment threshold of \$46,620 (for 2020-21). Repayments are made through the income tax system (like a university HELP loan).

For more information contact an Australian Apprenticeship Support Network in your region on 13 38 73 or visit www.australianapprenticeships.gov.au

General Benefits

Services Australia

Services Australia delivers government payments and services. They can provide you with information on relevant services and payment options, including referrals to employment service providers, Services Australia specialists and other departments and agencies.

www.servicesaustralia.gov.au is your first port of call for information on all payments and services available through Services Australia.

Youth Allowance

Financial help may be available if you're 24 or younger and a student or Australian Apprentice, or 21 or younger and looking for work.

You may be eligible for Youth Allowance if you are:

- 16 to 21 and looking for full-time work;
- 18 to 24 and studying full-time;
- 16 to 24 and doing a full-time Australian Apprenticeship;
- 16 to 17 and independent or needing to live away from home to study; or
- 16 to 17, studying full-time and have completed year 12 or equivalent.

Eligibility is based on many things including:

- Your age and whether you are undertaking an approved course or activity;
- If you are dependent or independent;
- Income and assets tests; and
- Residency requirements.

Individual circumstances vary, so for more information visit: www.servicesaustralia.gov.au/individuals/services/centrelink/youth-allowance

Rent Assistance

Rent Assistance is a regular extra payment that may be available to you, if you receive certain payments from Services Australia. Thresholds and maximum amounts of Rent Assistance vary according to your individual circumstances.

You may be able to get Rent Assistance if you pay rent, live in Australia, and receive one of these payments:

- Age Pension, Carer Payment or Disability Support Pension;
- ABSTUDY Living Allowance, Austudy or Youth Allowance;
- Bereavement Allowance or Widow Allowance;
- Partner Allowance, Special Benefit or Sickness Allowance;
- Family Tax Benefit – Part A at more than the base rate;
- Parenting Payment partnered and single; or
- JobSeeker Payment or Farm Household Allowance.

Special rules apply for some young people to get Rent Assistance with some payments – for more information visit: www.servicesaustralia.gov.au/individuals/services/centrelink/rent-assistance

Low Income Health Care Card

If you are a student, looking for work, an apprentice, or on a low income you may be eligible for a Low Income Health Care Card. This card entitles you to get a prescription filled at a reduced cost, and other concessions.

For more information call 13 24 90 or visit www.servicesaustralia.gov.au/lic

ABSTUDY

ABSTUDY is the Aboriginal and Torres Strait Islander Study Assistance Scheme, which is a group of payments for Aboriginal or Torres Strait Islander students or apprentices. ABSTUDY may assist you if you are:

- an Aboriginal or Torres Strait Islander Australian;
- in an approved course, Australian Apprenticeship or traineeship; and
- not getting another payment to study or train.

ABSTUDY can help with your study costs and housing if you need to travel to study. It can help with your costs for:

- study;
- housing;
- living expenses; and
- travel to your place of study each term or semester, if you need to study away from home.

For more information call 1800 132 317 or visit: www.servicesaustralia.gov.au/abstudy

FINDING EMPLOYMENT

Employment

When you are trying to get a job there are things you can do to make the process easier. You might want to:

- Spend some time developing your career portfolio;
- Consider the skills and attributes that employers are looking for;
- Learn more about the steps involved in looking for work;
- Get feedback on your résumé and job applications;
- Consider directly approaching employers to ask about opportunities;
- Practice your interview techniques; and
- Follow up any applications you have circulated.

There are a number of ways to get help finding work. You may find the list of useful websites at the back of this resource a good place to start.

For more information visit www.employment.gov.au

Youth Jobs PaTH

Youth Jobs PaTH is an Australian Government employment service that helps young people gain skills and work experience they need to get and keep a job.

PaTH will maximise the chances of young Australians under 25 and on Newstart or Youth Allowance to get a job through the following initiatives:

Employability Skills Training

Employability Skills Training courses help you get job ready by building your skills and improving your chances of getting a job or a PaTH Internship. In course one, you'll learn workplace skills including managing your work life, communication skills and problem solving. In course two, you'll learn job search skills and get help to write your resume and job applications and improve your interview skills.

PaTH Internship Placements

A PaTH Internship is a workplace trial so you can get work experience that could lead to a job. It is a chance for you to show an employer what you can do and how you fit into their business.

You can select an internship at a business that interests you, working on activities that match your skills and qualifications.

You'll also receive an extra \$200 a

fortnight on top of your Youth Allowance or Newstart Allowance payment.

For more information visit www.employment.gov.au/youth-jobs-path

Transition to Work

Transition to Work ensures young people aged 15-24 who have greater barriers to employment receive intensive support from community-based organisations with expertise in helping them to develop their work-like skills. This program is focused on developing skills, confidence and readiness to enter employment. Providers help eligible young people to:

- Develop practical skills to get a job;
- Connect with education or training;
- Find and complete work experience placements;
- Find job opportunities in their local area; and
- Connect with relevant local community services.

For more information visit www.employment.gov.au/transition-work

jobactive

jobactive is a national network of private and community organisations dedicated to finding jobs for unemployed people.

If you are a registered job seeker and in receipt of an eligible income support payment, jobactive can help you.

Your jobactive provider will enter your employment history and education into the JobSearch database (jobsearch.gov.au), which will automatically match your experience against available jobs.

For more information about jobactive visit www.jobactive.gov.au

The National Work Experience Programme

The National Work Experience Programme is for people aged 17 and older and registered with jobactive, Transition to Work or Disability Employment Services. The program places you in real life work experience placements, helping you gain experience and confidence, while demonstrating skills to potential employers. The Program will offer you work experience and employment opportunities by providing unpaid placements with employers for up to four weeks, to a maximum of 25 hours per week.

You may be eligible for an extra \$20.80 a fortnight Approved Program of Work Supplement while undertaking a National Work Experience placement.

For more information visit <https://jobsearch.gov.au/jobseekerinfo/national-work-experience-programme>

Foundation Skills for Your Future Program

The Australian Government has established the Foundation Skills for Your Future Program to assist young people who are in employment or have recently become unemployed and who wish to improve their oral communication, reading, writing, maths and digital skills to support them in the workplace.

The Foundation Skills for Your Future Program provides flexible training options for eligible participants to support your learning needs. Service providers, approved to deliver the Program, can work with you or your employer to accommodate your learning needs.

For further information on the Foundation Skills for Your Future Program visit: www.employment.gov.au/foundation-skills-your-future-program

National Careers Institute

The National Careers Institute was established to provide you with access to accurate and up to date careers information.

The NCI's website provides you with a careers front door, connecting you to information, advice and support to help you find the job or study options that are right for you. The website provides information about learning and training, getting job ready along with career ideas and resources.

For more information visit www.nci.dese.gov.au

Launch into Work

Launch into Work offers tailored pre-employment projects that lead to real jobs. Projects are co-designed directly with an employer to ensure participants build the skills required for a specific role within their organisation.

As a participant, you will receive at no cost to you: training, tailored to the role; work experience, mentoring and a commitment of employment if you successfully complete the project.

Launch into Work is targeted at females however males are also welcome to participate. To be eligible, you must be registered with a jobactive, Transition to Work or ParentsNext provider.

Further information is available at www.employment.gov.au/launch-work-program

Job Jumpstart

Job Jumpstart is the Australian Government's digital service for young people seeking job search and employment planning information. It offers a range of information and resources, categorised into life stages for ease of use.

The website provides you with:

- Information on making informed choices about jobs and training, setting goals and personal presentation, talking to employers and workplace expectations;
- Insights into how different employers recruit and tips to get their attention, how to maintain a positive online presence as well as what skills and attributes are needed for different jobs and industries; and
- Practical information, templates and workbooks to help you tailor résumés and cover letters, and prepare for interviews.

For more information please visit jobjumpstart.gov.au

Community and Volunteer Work

Volunteer work is an excellent way of experiencing new challenges and learning about the world of work.

Volunteers provide a valuable service to the community. There are a variety of organisations that rely on volunteers and it can be a great way to gain new skills and build on your work experience.

For more information visit www.volunteeringaustralia.org

Starting a Business

Starting a business is another option to consider. There are more than two million small businesses operating across Australia and you do not need formal qualifications or business experience to start and run a business.

There are a number of programs aimed at helping you build your enterprise skills and develop innovative ideas, as well as providing sources of training and education.

For more information visit www.business.gov.au

You can also contact your local Business Enterprise Centre at www.becaustalia.org.au for one-on-one advice and help.

ADDITIONAL INFORMATION

Medicare

Medicare is Australia's universal health care system. When you enrol in Medicare, Services Australia pays some or all of the costs of your necessary health care.

Medicare provides access to:

- If your doctor bulk bills, Medicare pay the cost directly to the doctor. This means you won't have to pay anything;
- You'll need to pay for your appointment if your GP doesn't bulk bill. You may be able to claim some of this money back from Medicare; and
- Medicare also help to make some medicines more affordable for you through the Pharmaceutical Benefits Scheme.

For more information visit

www.servicesaustralia.gov.au/individuals/subjects/whats-covered-medicare

How to Enrol in Medicare and Obtain a Medicare Card

You get a Medicare card when you enrol in Medicare. You'll usually be told your Medicare number straight away and your card will be sent to the address you provided in 3 to 4 weeks.

You can use a digital copy of your Medicare card as soon as you enrol. To use a digital version of your Medicare card, you need to:

- Download and sign in to the Express Plus Medicare app; and
- Select the Card tab on the home screen.

To enrol in Medicare you must live in Australia and be one of the following:

- An Australian citizen;
- A New Zealand citizen;
- An Australian permanent resident;
- Applying for permanent residency; or
- A temporary resident covered by a Ministerial Order.

You may already be listed on your parents' Medicare card, however young people over the age of 15 may enrol on their own Medicare Card. If you are on your parents' card, you can download a Medicare enrolment or transfer application form from the Services Australia website to get your own Medicare card.

You will need to provide some form of identification (like a passport or student ID). If you haven't been enrolled before, you may need to provide eligibility documents.

Remember to take your Medicare card with you when visiting a doctor or when you have a prescription filled.

For more information call 13 20 11 or visit: www.servicesaustralia.gov.au/individuals/services/medicare/medicare-card

Unique Student Identifier

A Unique Student Identifier (USI) is a reference number that links together higher education and training records from different providers, in different states, and across different years – all in the one record.

Students can view their higher education and training records or transcripts online through their USI account. They can also download or print their USI Transcript and share it electronically with providers and employers of their choice.

All students undertaking higher education and nationally recognised training must provide a USI to their provider unless exempt. It is free and easy to create and stays with you for life.

For more information please visit www.usi.gov.au

Enrolling to Vote

Voting is both your right and your responsibility as an Australian. It is compulsory for all Australians 18 years and older to enrol and vote (although you can pre-enrol when you turn 16). Failure to vote at an election can result in a fine.

If you believe you are already pre-enrolled, you can check your enrolment here: check.aec.gov.au

If you need to enrol for the first time for federal, state and local government elections, this can be done by filling out a single form, available from the Australian Electoral Commission (AEC) website (select enrol to vote), post offices or your local Member of Parliament.

For more information contact the AEC on 13 23 26 or visit www.aec.gov.au/enrol

If you need to update your enrolled address, because you have permanently changed home, you should revise your enrolment after you have lived at the new residential address for a period of at least one month.

If you are temporarily living away from home (for instance for study), but intend your return, you do not need to update your enrolment.

To update details, visit here: www.aec.gov.au/enrol/update-my-details.htm

Tax File Number

Your tax file number (TFN) is your personal reference number in the tax and superannuation systems. You keep the same TFN even if you change your name, change jobs, move interstate or go overseas.

Your TFN is an important part of your tax records, as well as your identity, so it's important to keep it secure.

You must provide your TFN or a certificate of an application for a TFN when you apply for a study or training loan. You also need your TFN to be able to apply for government benefits, lodge your tax return electronically or get an Australian business number (ABN). How to apply for a TFN will depend on your circumstances.

For information on how to apply for a TFN visit www.ato.gov.au/individuals/tax-file-number

For more information contact the ATO on 13 28 61 or visit www.ato.gov.au
